The Chairman reported that the clerk had written to Wendy Perara regarding the lack of action following our constant emails to the Planning Enforcement Team at the Isle of Wight Council. As a result an officer did attend the site in Limerstone but inspected the wrong structure. The Clerk has notified the Isle of Wight Council that it was the wrong building and they are going to revisit the site.

The Chairman received a phone call from an estate agent regarding the sale of a property in Heath Gardens. They were seeking information to pass onto a potential purchases from the mainland. The Chairman informed them of the local connection criteria restriction on the properties and if no one found within three months the area is broadened to include other local parishes.

There being no further business, the Chairman thanked everyone for attending, and closed the Meeting at 8.00pm
